

# INVITATION

Dear Colleagues

The Romanian Society of Coloproctology is continuing its educational mission, offering all those with an interest in the field of coloproctology a platform that provides access to the most up-to-date information presented by national and international leaders of opinion.

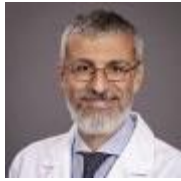

The next educational session will be organized on the 6<sup>th</sup> of December, together with the "Iuliu Hatieganu" University of Medicine and Pharmacy Cluj-Napoca and will cover some of the hot topics discussed today in coloproctology: treatment of rectal tumours and beyond, surveillance and treatment of inflammatory bowel diseases, benign diseases of the colon and rectum.

Along with renowned national speakers, we have the honour and privilege to include in the programme presentations of well-known international guests with extensive experience in their field of interest:

Prof dr. Erman Aytac, Chief of the General Surgery Clinic, Acibadem University Atakent Hospital Istanbul

*presence in person*

Prof Dr. Luca Moretti, Chief of the General Surgery Department, Pisa University Hospital

*presence in person*

Prof. dr. Feza Remzi, Director, Inflammatory Bowel Disease Center at NYU Langone Health, Former Chair, Department of Colorectal Surgery at Cleveland Clinic

*online presentation*

The format of the symposium is **hybrid**, participants being invited to be present either in person, in the Amphitheatre of Clinic Chirurgie I Cluj-Napoca or online, by accessing the link below:
