(1) Up to the age of 26, the calculation of the student's average monthly income shall include the following persons:

- (a) the student's parent(s)
- (b) the student's guardian(s)
- (c) the person with whom the student is placed in foster care
- (d) the person(s) responsible for the student's care during the absence of the parents or guardian
- (e) the student
- (f) brothers/sisters (if living and managing the household together)
- (g) the student's spouse
- (h) the children under the student's care

(2) For students aged between 26 and 35, the calculation of the average monthly income shall include the following persons:

- (a) the student
- (b) the student's spouse
- (c) the children under the student's care

(3) The net average monthly family income is determined by considering the following categories of income:

- (a) salaries and related income, in accordance with the provisions of Law no. 227/2015 regarding the Fiscal Code, with subsequent amendments and completions;
- (b) pensions, including those for war invalids, orphans, war widows/widowers, fixed sums for the care of retirees classified in the first degree of disability, as well as pensions regardless of whether they come from the state budget or private pension funds and regardless of their type, in accordance with Law no. 263/2010 regarding the unitary public pension system, with subsequent amendments and completions;
- (c) income obtained from agricultural activities, according to the provisions of Law no. 227/2015 regarding the Fiscal Code, with subsequent amendments and completions;
- (d) state child allowances, in accordance with Law no. 61/1993 on child allowances, republished, with subsequent amendments and completions;
