Personal information

First name(s) / Surname(s) **Ovidiu Ciprian Samoilă**

Address(es)

Telephone(s)

Fax(es)

E-mail

Nationality Romanian

Date of birth 01.03.1977

Gender male

Desired employment / Occupational field

Ophthalmology

Work experience

Dates **March 2008 – present**

Occupation or position held

Assistant lecturer (Assistant professor) – Ophthalmology Department

Main activities and responsibilities

Didactic activity – students in 4th year (General Medicine and Stomatology), 2 languages:

- Romanian section
- French section
- English section

Name and address of employer

University of Medicine and Pharmacy “Iuliu-Hațieganu”, 8 Victor Babeș St, Cluj-Napoca, Romania

Type of business or sector

Didactic activity

Dates **January 2010 – present**

Occupation or position held

Medical Doctor, Ophthalmology

Main activities and responsibilities

Doctor

- Ophthalmology speciality, including eye surgery

Name and address of employer

Ophthalmology Clinic, County Emergency Hospital, Cluj-Napoca, 3-5 Clinicilor St

Type of business or sector

Medicine

Dates **2014 – present**

Occupation or position held

Medical Doctor, Ophthalmology

Main activities and responsibilities

Doctor

- Ophthalmology speciality

Name and address of employer

Optical Art, St. Petru Maior 15-19

Type of business or sector

Medicine

Education and training

Dates **2009-2013**

Title of qualification awarded PHD
Principal subjects/occupational skills covered Ocular Surface Reconstruction

Name and type of organisation providing education and training University of Medicine and Pharmacy Iuliu Hatieganu Cluj-Napoca, Prof. Dr. Adriana Muresan

Dates **2002-2007**

Title of qualification awarded Ophthalmology specialist
Principal subjects/occupational skills covered Ophthalmology – clinical, surgical.
 Competences: Eye echography, Angiofluorography, Eye electrophysiology

Name and type of organisation providing education and training Ophthalmology Clinic, County Emergency Hospital, Cluj-Napoca – University Clinic

Dates **9-13.07.2007**

Title of qualification awarded Anterior segment pathology, Strabismus – Study Certificate
Principal subjects/occupational skills covered Anterior segment surgery

*Name and type of organisation providing education*and training* Universita' di Pisa, Dipartimento di Neuroscienze, Sezione di Oftalmologia (Prof. Dr. Marco Nardi, **Pisa, Italy**)

Dates **1996-2002**

Title of qualification awarded Medical Doctor
Principal subjects/occupational skills covered General Medicine

Name and type of organisation providing education and training University of Medicine and Pharmacy "Iuliu-Hațieganu", Cluj-Napoca, Romania

Personal skills and competences

Mother tongue(s) **Romanian**

Other language(s) **English, French**

Self-assessment
European level ()*

Understanding		Speaking		Writing
Listening	Reading	Spoken interaction	Spoken production	

English	C1	I have no difficulty in understanding any kind of spoken language, whether live or broadcast, even when delivered at fast native speed, provided. I have some time to get familiar with the accent.	C1	I can understand long and complex factual and literary texts, appreciating distinctions of style. I can understand specialized articles and longer technical instructions, even when they do not relate to my field.	C1	I can express myself fluently and spontaneously without much obvious searching for expressions. I can use language flexibly and effectively for social and professional purposes. I can formulate ideas and opinions with precision and relate my contribution skillfully to those of other speakers.	C1	I can present clear, detailed descriptions of complex subjects integrating sub-themes, developing particular points and rounding off with an appropriate conclusion.	C1	I can write clear, detailed text on a wide range of subjects related to my interests. I can write an essay or report, passing on information or giving reasons in support of or against a particular point of view. I can write letters highlighting the personal significance of events and experiences.
French	B2	I can understand extended speech and lectures and follow even complex lines of argument provided the topic is reasonably familiar. I can understand most TV news and current affairs programmes. I can understand the majority of films in standard dialect.	B2	I can read articles and reports concerned with contemporary problems in which the writers adopt particular attitudes or viewpoints. I can understand contemporary literary prose.	B1	I can deal with most situations likely to arise whilst travelling in an area where the language is spoken. I can enter unprepared into conversation on topics that are familiar, of personal interest or pertinent to everyday life (e.g. family, hobbies, work, travel and current events).	B1	I can connect phrases in a simple way in order to describe experiences and events, my dreams, hopes and ambitions. I can briefly give reasons and explanations for opinions and plans. I can narrate a story or relate the plot of a book or film* and describe my reactions.	B1	I can write simple connected text on topics which are familiar or of personal interest. I can write personal letters describing experiences and impressions.

(*) Common European Framework of Reference for Languages

Language Competence Certificate – Modern Languages Department, University of Medicine and Pharmacy, Cluj
Cambridge Certificate FCA

- English
- French

Medical Competences

Eye echography, Eye Angiofluorography, Eye Electrophysiology.
Anterior segment Surgery.

Computer skills and competences

Computer analyst, Computer operator, Computer programming – diplomas awarded at the end of highschool, Informatics section

Driving licence

B category

2. Medical Awards:

- 1st place at SIFI Contest for Young Ophthalmologists (National Congress of Ophthalmology, Sinaia 2006) with the case presentation "Choroidal hemangioma and epiretinal membrane"
- 2nd place at Residents' Contest (National Congress of Ophthalmology, Sinaia 2006) with the clinical study "The influence of ocular surgery for lachrymal secretion".

3. Surgical experience (significant):

- Cataract surgery – 9 years' experience, 700 interventions (phaco, extracapsular etc)
- Corneal surgery – ulcers, pterigiums, perforations – application of biocompatibles materials (sclera, amniotic membrane)
- Glaucoma surgery – trabeculectomy, express shunt
- Posterior vitrectomy
