You need to create an account.

The initial creation of the account is mandatory to be done from the university's network (for ip recognition by the providers). Subsequently, logging in and accessing, can be done from the outside.

Recommendation: use extension-based email address: ...@umfcluj.ro; @elearn.umfcluj.ro

Create account link:

<http://www.e-nformation.ro/join-us>

Enter the requested data. A link will be sent to your e-mail address which must be activated.

Also search spam/junk. Choose your institution, function, area of interest and password.

If you registered using an institutional email address, the account will be automatically activated;

In case you used a personal email address (yahoo, gmail, hotmail, outlook, icloud), the account will be activated within 24 hours after **completing and signing the membership certificate**

received in the registration notification email.

Send the completed certificate to the e-mail address:

events@e-nformation.ro

After account activation, log in to your account and in the "**Institutional Profile**" section you will find the resources your institution has access to.

To access **UpToDate** remotely (outside the university's network) individual registration is required.

<https://www.uptodate.com/contents/search>

click register

Users must be on the institutional IP when registering.

After creating your account, you will have access for 90 days from anywhere.

To maintain mobile access, after the 90 days have expired, users must log in from the university's IPs to extend remote access for another 90 days.

**b)** To remotely access (outside the university network or *mobile access*) the following consortium-subscribed university resources:

### **Clinical Key**

You need to create an account.

- [Academic Search Ultimate](#)
- [Cambridge Journals](#)
- [Dentistry & Oral Sciences Source](#)
- [Dynamed](#)
- [Oxford Journals-STM](#)

## **IF YOU DO NOT HAVE A MOBILE ACCESS ACCOUNT**

To get mobile access to the resources subscribed by your institution, please fill in the form at <https://accesmobil.romdidac.ro/register>

1. In the "Email" field please enter your INSTITUTIONAL e-mail address

- The institutional address allows you to be recognized as a user with access rights
- If you do not have such an address, contact your institution.
- If you will not enter an institutional e-mail address, you will not be authorized to consult the databases to which your institution is subscribed.
- Check that the e-mail address you have entered is spelled correctly; if the address is misspelled, the e-mail confirmation link will not be able to reach you.

2. Choose a password. The chosen password must contain at least 8 characters, including digits and special characters (e.g. #, @, &, \*, %, !, ?, \$).

3. After completing and submitting the form, you will receive a message containing the link to confirm your e-mail address. (If the message does not appear in your Inbox, check your Spam/Junk folder). Click on the link in the message.

- If you have entered a valid institutional e-mail address in the form, after accessing the link you will be authorized to consult the databases to which your institution is subscribed.

## **IF YOU ALREADY HAVE A MOBILE ACCESS ACCOUNT**

Go to <https://accesmobil.romdidac.ro/login> and enter the e-mail address and password you entered in the form.

For problems setting up your mobile access account: robert\_coravu@romdidac.ro.

### **d) European Pharmacopoeia Online**

To assign your account in the <https://pheur.edqm.eu/> platform, please send an email to: [cristina.ungur@umfcluj.ro](mailto:cristina.ungur@umfcluj.ro), with your identification data (name, surname, **umf email address**).
